(514) 891-4654 | eliasalhaddad2003@gmail.com | linkedin.com/in/elias-al-haddad | Montréal, QC

SUMMARY

Computer Science (COOP) student at UQAM with hands-on experience in Java, Python, SQL, and full-stack web development. Proven ability to build tested, well-structured software through academic projects involving OOP, design patterns, databases, and REST APIs. Trilingual (French, English, Arabic) and actively seeking a Software Development internship for Summer / Fall 2026.

EDUCATION

Université du Québec à Montréal (UQAM)

Montréal, QC

Bachelor's Degree in Computer Science and Software Engineering (COOP)

Jan. 2023 – Apr. 2027

- Relevant coursework: Data Structures & Algorithms, Software Engineering, Databases, Web Programming, Software Design, Assembly, Advanced Web Development

Lycée Franco-Libanais Habbouche

Nabatieh, Lebanon

French Baccalaureate – Science & Physics/Chemistry

June 2021

TECHNICAL SKILLS

Languages: Java, Python, C/C++, SQL, PL/SQL, JavaScript, RISC-V Assembly

Web Technologies: HTML, CSS, Flask, REST APIs, Bootstrap

Databases: Oracle, MySQL, PostgreSQL, SQLite

Tools & Frameworks: Git, GitHub, Maven, JUnit, Eclipse, VS Code

Concepts: OOP, Design Patterns, UML, MVC, Agile/Scrum, Unit Testing, Data Structures & Algorithms

PROJECTS

Halma Game Controller | *Java, Maven, JUnit, Checkstyle*

2025

- Implemented complete game controller with move validation, player move generation, and jump mechanics following MVC architecture.
- Achieved 90%+ test coverage using JUnit, respecting software quality standards enforced by Checkstyle.

Auto Insurance Web Application | *Python, Flask, JavaScript, HTML/CSS, SQLite*

2025

- Built a full-stack insurance quote submission system with client-side and server-side validation, error handling, and data persistence.
- Implemented POST-Redirect-GET pattern and session management for a clean, secure user experience.

Enrollment Management Database | *Oracle, PL/SQL*

2025

- Designed and implemented stored procedures, functions, and triggers to enforce business rules and data integrity.
- Included unit testing and security mechanisms for a robust enrollment management system.

S-Expression Validator | *RISC-V Assembly*

2024

- Developed a low-level program to validate S-expressions with balanced parenthesis checking, comment handling, and memory optimization.

EXPERIENCE

La Sirène de la Mer

Montréal, QC

Lead Busboy / Dining Room Attendant

Apr. 2022 – Present

- Coordinated dining room staff during peak hours, demonstrating leadership and time management.

City of Montréal – Sustainable Mobility Agency

Montréal, QC

Parking Enforcement Officer

Nov. 2024 – May 2025

- Enforced municipal regulations using digital tools; issued citations and completed reports via computerized systems.

Best Buy

Montréal, QC

Sales Associate

Sept. 2021 – Jun. 2022

- Provided technical advice and personalized customer support by analyzing needs and recommending appropriate solutions.
